I am an enthusiastic and bilingual Computer Systems Engineering student eagerly seeking an internship, entry-level, or junior job opportunity. My primary objective is to gain valuable practical experience and foster my professional development. With a meticulous attention to detail and a strong focus on customer satisfaction, i am driven by a genuine passion for leveraging technology to create cutting-edge solutions. I am committed to continuously improve my skills and making meaningful contributions in the field of computer systems engineering.

Languages: Spanish (Native), English (C1)

TECHNOLOGIES

- | | |
|---------------------|-------------------------|
| - Java | - Git/Github |
| - Spring Boot | - Netlify |
| - PHP | - Selenium & Automation |
| - JavaScript | - Cisco |
| - HTML5 & CSS | - SCRUM |
| - SQLServer & MySQL | - ORACLE & PL SQL |
| - Netbeans & VSCode | - Linux |

COLLEGE EXPERIENCE

- Full Stack Development of a Website using JavaScript, PHP, HTML, CSS, and MySQL: Website for a real Medical Clinic utilizing HTML and CSS for frontend design, JavaScript and PHP for backend design, and MySQL for storing users, statistics, appointments and reviews.
- Cybersecurity in Linux Servers: Implementation of scripts, user accounts, passwords, permissions, storage devices, Debian tools, and risk plans to enhance the security of a fictional company in linux / ubuntu servers.
- Documentation for "Eco Town" App: Development of use cases, user stories, functional and non-functional requirements, as well as application, class, and technology diagrams for a travel application.
- Cisco Skills: Experience managing routers, Layer 2 and Layer 3 switches, VLANs, Ethernet, security, and protocols using the Cisco Packet Tracer platform.

EDUCATION

Bachelor's Degree in Computer Systems Engineering - Present
Expected graduation date: September 2024
Universidad Fidélitas

Bachelor's Degree in Middle Education - 2021

LICENSES AND CERTIFICATIONS

Completed (2022)	-	Scrum Fundamentals Certified Third Edition - ScrumStudy
Completed (2023)	-	Switching, Routing & Wireless Essentials (CCNAv7) - CISCO Academy
Present	-	JavaScript TOTAL – Udemey
Present	-	AWS Certified Cloud Practitioner - ExamPro
Present	-	The Complete Web Developer in 2023: Zero to Mastery - Udemey

SOFT SKILLS

-Teamwork	-Adaptability
-Fast Learner	-Problem Solving
-Proactive	-Self-taught person
-Initiative	-Time-management
-Emotional intelligence	-Communicative
